The Board will have representation at all major CCCOE program events, and will remain knowledgeable with regard to CCCOE programs and services, and educational issues.
- In partnership with the superintendent, the Board as a governing body, will be a leader in advocating at the local, state, and federal level for all learners through communicating public education's successes and challenges.
- Board members will understand the role of the County Board of Education as defined by California Education Code and County Board Policy, and will remain committed to operate as a cohesive governing body.
- The Board will support the superintendent and staff to increase awareness of programs and services in order to increase parent, business, and community participation in CCCOE schools and programs.
- The Board will review, improve and implement effective protocols pertaining to its role as an appellate body (i.e. in the areas of Charter School Authorization and Oversight, Interdistrict Transfers, and Expulsion Appeals).
- The Board will serve as active stakeholders in the CCCOE Local Control Accountability Plan (LCAP) for Court and Community Schools.
