Re: Letter of Assurance for National University Partnership

Dear Members of the Commission,

The Contra Costa County Office of Education (CCCOE) is excited to submit our proposal for approval of initial accreditation as a new program sponsor for the Preliminary Administrative Services Credential (PASC).

As a part of our submission, we provide this letter of assurance that we are in the process of finalizing a memorandum of understanding with National University. We are entering a contract to partner with National to provide a Master's Degree option to the candidates that enroll in our program.

Thank you for your consideration,

Sincerely,
