

Program Advisory Team

The PASC Program Advisory Team is composed of Contra Costa County Office of Education leaders who oversee the PASC Program, under the direct supervision of the superintendent. The Advisory team takes recommendations from the PASC Leadership Team and serves the following purposes:

1. Provides reports to Contra Costa County Office of Education School Board around program compliance in accordance with Program Standards and program goals/needs
2. Reviews survey and evaluation data and reviews program revisions from Leadership Team based on both internal Program Review and formal Program Reviews, including the Accreditation Process
3. Engages in agenda items related to PASC Program components
