

Program Leadership Team

The PASC Program Leadership Team is composed of County and District partners and other stakeholders. This team is an integral part of the PASC Program infrastructure and makes recommendations for the continued improvement of the program. As such the PASC Leadership Team:

1. Advises PASC Program Coordinator in accordance with Program Standards and program goals/needs
2. Reviews survey and evaluation data to revise the program for internal Program Review and formal Program Reviews, including the Accreditation Process
3. Disseminates and shares information regarding the PASC Program to constituency members
4. Attends regularly scheduled PASC Leadership Team Meetings
